

I'm Back

Luther Allison

Wait a minute, I'm back!
I'm a man, 'cause that's a natural fact
Hold on, I'm back
Wait a minute, get me my cat back
You can call me what you wanna
I know I'm a bluesman, that's a fact
I'm ready
I wanna know, how about a-you?
I'm ready
I wanna know, how about a-you?
I'm back
I'm back to play the blues for you

The nights that you see me
Let me tell ya, wouldn't be the same
The nights that you see me
I will never be the same
Gonna be what I am
I know I'm a bluesman
Now listen to it
I'm back
I'm back
I'm back
I'm back with a big scene
Call me what you wanna
I know I'm a bluesman
Listen to that
Call me what you wanna
Gotta be what I am
I'm a bluesman
Call me what you wanna
I know I'm a bluesman
Yes, I am
Call me what you wanna
I know I'm a bluesman
I'm a bluesman
