

Key To The Highway

Luther Allison

I got the key to the highway
And you know I gotta go
I'm gonna leave you running
Walking is to slow

Well it's so long
Good-bye baby
Well I think I've gotta hit the road
I'm gonna leave you running
Walking is to slow

If I call you on the telephone
Make sure, make sure my love
You'll try and stay around home
I'm gonna leave you in the morning
Bye bye and so long

Mercy

Well you'll give me
One more chance
Before I go
I'm gonna leave you running
Walking is to slow
