

Last Night

Luther Allison

Last night
I lost the best friend I ever had

Last night
I lost the best friend I ever had

You know she gone away and left me
And make me feel kinda bad

I gonna wait till tomorrow
They tell me everyday bring about a change

I gonna wait till tomorrow
Lord they say everyday bring about a change

I love you baby
Whooo Whooo Whooo I tell you it's a crying shame
Lord have mercy

It's 3 o'clock in the morning baby
And my love is coming down for you

Well it's 3 o'clock in the morning
You know my love is coming down for you

I love you, oh baby I love you
Tell me what more can I do

I'm all alone
I'm tired of sleeping all by myself

I'm all alone
I'm tired, I'm so tired of sleeping all by myself

Last night I lost the best friend I ever had
She took off and ran away with somebody else
