

# You're Gonna Make Me Cry

Luther Allison

Love will bring you happiness  
And love will bring you sorrow  
Love can be here today, yeah  
If you don't watch out it'll be gone tomorrow

But oh baby, are you listenin' baby?  
Please, don't make me cry  
No, no, no, I don't wanna cry  
Now listen to me

You gonna make me cry  
You gonna make me cry  
Are you listenin' to me, baby?  
Don't make me cry, no, I don't wanna cry  
Now listen

You gonna break my heart, listen to me, baby  
You gonna break my heart  
Are you listenin' to me, baby?  
Please, please, don't break my heart  
No, no, don't break my heart, listen, baby

Love is something  
It's hard to figure out  
But love is something  
The whole world ought to know about

Are you listenin', baby? I wanna know  
Are you listenin' to me, honey?  
Then darlin', don't break my heart  
No, no, no, don't break my heart

I want ya to hear me, baby  
I feel the blues, tell me, girl  
Sometimes I feel sad, knowin' that you love me so  
But knowin' you know, you don't really know  
Baby, my little girl, let me tell ya, I said

I gotta, gotta, gotta, gotta hold on  
I gotta, gotta love ya  
I don't care what you do, baby  
I don't care where you go  
I don't care what you do, babe  
As long as you do it with me

Let me tell you something, babe  
Let me tell you one more thing, babe, oh  
Look it here, look it here

I'm gonna leave you alone  
I'm gonna leave you alone  
Oh, baby, don't

I'm gonna leave you alone, yeah  
I'm gonna leave ya  
I'm gonna hate ya  
I'm gonna leave

I'm gonna hate ya  
I'm gonna leave ya  
I'm gone, gone  
I'm gone

Just can't take it, baby  
Don't, don't  
I just can't leave ya, baby  
Just can't leave ya
