Luther Vandross

Give Me the Reason

You, ooh-eah-eah

Ooh-ooh-ooh-ooh Yeah-yeah Ooh-ooh Eah-eah-eah Οh What's there to say, there's not much to talk about And whatever happened to all of the love that we vowed Yes, it's true And there's nothing new You can say Give me the reason to want you back Why should I love you again Do you know, tell me how How to forgive and forget Give me the reason to love you now It's been a mighty long time And the love that used to be Ended the day you walked out Never knew I'd ever be Standing a love and outside With no one to love Yeah-eah Ooh-ooh-eah I was secure and so glad there was you to love What in the world would I ever do without us But it's getting clear That I have to get over you Give me the reason to want you back Why should I love you again Do you know, tell me how How to forgive and forget Give me the reason to love you now It's been a mighty long time And the love that used to be Ended the day you walked out Never knew I'd ever be Standing a love and outside With no one to love No one, no one to love Yeah, yeah Yeah, yeah Yeah, yeah

Yeah, yeah Yeah, yeah Yeah, yeah Yeah, yeah Give me the reason to want you back Why should I love you again Do you know, tell me how How to forgive and forget Give me the reason to love you now It's been a mighty long time And the love that used to be Ended the day you walked out Give me the reason To love you, girl Give me the reason To love you, girl To love you To love you, girl Ooh To love you, girl To love you, girl To love you, girl To love you, girl
