

Goin' Out of My Head

Luther Vandross

Well I think I'm going out of my head
Yes I think I'm going out of my head over you, over you
I want you to want me, I need you so badly
I can't think of anything but you, yeah

And I think, I'm going out of my head
'Cause I can't explain these tears that I shed
Baby over you over you, I see you each morning
But you just walk past me you don't even notice I exist

Going out of my head over you baby
Out of my head over you darlin'
Been out of my head oh, baby
I must think of a way into your heart

There's no reason why
My being shy should keep us apart
Umm, yeah, ohhh, shoobop, shoobop, baby
Shoobop, shoobop my love

I see you each morning
But you just walk past me
You don't even notice that I exist

Going out of my head over you darlin'
Out of my head over you, out of my head
I'm going, going, going, going, going

Girl, girl, yeah, I'm going, going, going, going, going
Come on, give me, give me your loving
Come on, give me, give me your loving
