

# Goin' Out of My Head

Luther Vandross

Well I think I'm going out of my head  
Yes I think I'm going out of my head over you, over you  
I want you to want me, I need you so badly  
I can't think of anything but you, yeah

And I think, I'm going out of my head  
'Cause I can't explain these tears that I shed  
Baby over you over you, I see you each morning  
But you just walk past me you don't even notice I exist

Going out of my head over you baby  
Out of my head over you darlin'  
Been out of my head oh, baby  
I must think of a way into your heart

There's no reason why  
My being shy should keep us apart  
Umm, yeah, ohhh, shoobop, shoobop, baby  
Shoobop, shoobop my love

I see you each morning  
But you just walk past me  
You don't even notice that I exist

Going out of my head over you darlin'  
Out of my head over you, out of my head  
I'm going, going, going, going, going

Girl, girl, yeah, I'm going, going, going, going, going  
Come on, give me, give me your loving  
Come on, give me, give me your loving
