

# Make Me a Believer

Luther Vandross

Superman can fly high way up in the sky  
'Cause we believe he can  
So what we choose to believe can always work out fine  
It's all in the mind  
So think of a place and imagine a time  
(Imagine a time, imagine a time)  
And let's go be lovers

Believing me, Ooo wee baby  
Is believing right, yeah yeah yeah  
And...

[Chorus:]

I wanna love, wanna have, wanna hold you girl (Girl)  
So make me a believer  
(Wanna love, wanna love, wanna love, wanna love, wanna love, wa  
nna girl)  
I wanna love, wanna have, wanna hold you girl (Girl)

[Interlude:]

Ooo so near  
And forever keep you here  
Forget all about whatever we fear (Whatever we fear)  
And let's just be lovers  
Loving and loving, oh love is the way  
To make me stay, make me stay

Yeah, I know the way to persuade me over to your side  
And I am sure you can  
So if you get me to believe  
It all will work out fine  
'Cause you'll blow my mind  
So let's pick a place and a day and a time (A place and a day a  
nd a time)  
And then we'll be lovers  
Loving and loving, oh love is the way  
To make me stay, make me stay

[Chorus]

[Fade]
