Make Me a Believer

Luther Vandross

Superman can fly high way up in the sky 'Cause we believe he can So what we choose to believe can always work out fine It's all in the mind So think of a place and imagine a time (Imagine a time, imagine a time) And let's go be lovers Believing me, Ooo wee baby Is believing right, yeah yeah yeah And... [Chorus:] I wanna love, wanna have, wanna hold you girl (Girl) So make me a believer (Wanna love, wanna love, wanna love, wanna love, wanna love, wa nna girl) I wanna love, wanna have, wanna hold you girl (Girl) [Interlude:] Ooo so near And forever keep you here Forget all about whatever we fear (Whatever we fear) And let's just be lovers Loving and loving, oh love is the way To make me stay, make me stay Yeah, I know the way to persuade me over to your side And I am sure you can So if you get me to believe It all will work out fine 'Cause you'll blow my mind So let's pick a place and a day and a time (A place and a day a nd a time) And then we'll be lovers Loving and loving, oh love is the way To make me stay, make me stay [Chorus]
