My Sensitivity (Gets in the Way)

Luther Vandross

At times I don't believe that I can't control my heart
It skips a beat even before the Lovin' starts
I seem to fall in love
With just the slighest touch
And even the little things
Begin to mean so much
And though I should hold out longer
Just to make sure things get stronger

[Chorus:]
You tell me that you love me
And before I'm sure you really do
You say you love me more and more each day
And that's when my sensitivity gets in the way

It's hard for me to play those fancy games of love
Just say the right thing baby and it's automatic love
I try not to let you know
How easily I go
Off into lovers' land
Just when you touch my hand
And though I should wait to see
How things are gonna really be

[Chorus]
