

One Night with You (Everyday of Your Life)

Luther Vandross

One night with you
Everyday
Yeah, yeah

I don't wanna put no chains on you
I just wanna be here lovin' you
'Cause you touch me in a place
That puts a smile right on my face

But I don't wanna be holdin' you
Baby, only for an hour or two
I want you with me
In these arms for all eternity

I don't mean to put your under pressure
I just wanna spend some time together
And baby
If it's just for one night

Then give me just one night with you
Everyday of your life
One kiss in the mornin'
After a hundred kisses each night

Give me just one night with you
Everyday for all time
It would be so right
Everyday to have just one night with you, with you, hey, hey

Love the things you say, the way you move
I'd love to stay here makin' love with you
'Cause you're just so good to hold
And you've wrapped your arms around my soul

So come on and take this heart of mine
You can have it till the end of time
I want you to be
Every single part of me

I don't mean to put your under pressure
I just wanna have your love forever
So baby
If it's just for one night, one night

Give me just one night with you
(One night with you)
Everyday of your life
(Everyday)
One kiss in the mornin'
After a hundred kisses each night
(One night)

Give me just one night with you
(One night with you)
Everyday for all time
It would be so right
(So right)

Everyday to have just one night with you

Baby, give me your kisses for a lifetime
And baby, show me your smilin' face each day
And then you hold me in your heart forever
'Cause I need you by my side
(I need you by my side)
And I won't be satisfied

Till you give me just one night with you
Everyday of your life
One kiss in the mornin'
After a hundred kisses each night

Give me just one night with you
(Just one night, baby)
Everyday for all time
(Ooh, everyday for all time)
It would be so right
(So right)
Everyday to have just one, one night
(Just one night)

Give me just one night with you
(One night with you)
(For all my life)
Give me one, just give me one
One night, one night
Come on

Give me just one night with you
(One night with you)
(For all my life)
Give me one, just give me one
One night, one night
Give me just one night with you
(One night with you)
