PROMISE ME

Luther Vandross

(album: Forever, For Always, For Love - 1982)

I can only speak for  
The things that I've been through  
So when it comes to our love  
I'll talk the whole night through  
About the lovin' I've been missin'  
Lately, baby I ain't had no kissin'  
Don't you love me  
Can we stay together

Bridge:

Like when we used to be in love  
But now you've got your head on another cloud  
Girl, we had a good thing  
But now you've turned around  
Don't you even care how this love  
We've had turns out

Chorus:

(Promise me, you'll leave me never)  
(That we'll be in love forever)  
(Promise me, you'll leave me never)  
(And that we'll be in love forever)

We can work at our love  
And make it all brand-new  
If we stay together  
There's nothing we can't do  
Improve the lovin' is what I'm seeing  
Let's do it baby  
Don't fight the feeling  
Won't you love me  
Can we stay together

Repeat Bridge and Chorus

Forever, ever, promise me you'll leave me never  
Won't you promise me (That you'll leave me never)  
Promise me, forever and ever, and ever
