The Best Things in Life Are Free

Luther Vandross

Boy, when you look at me, boy Do you judge me by my cover? Ya got to be kiddin' me To think that I'm that kind of lover

I don't mean to disagree Sorry you can't buy my kisses Open your heart and see True love comes for free

I'm keepin' my heart open Hopin' you won't stab me in it 'Cause I've been in love before And when I had to pay, I didn't

I'll lose my sanity Tryin' to measure your intentions What do you want from me How much will it be?

No more than you're willing to give 'Cause you won't pay nothin' For this good lovin' It's for free

And I won't make you promises I'll just do all that I can To be your lover 'Cause I understand

The best things in life are free Now that I've discovered What you mean to me The best things in life are free Now that we've got each other The best things in life are free

I know you are my baby My one and only baby You said it twice, I'll say it thrice My baby, baby, baby

I got so much love for you And it's easy to give it When I know you feel The same way too

That's all I expect from you Just do all that you can to be my lover 'Cause I understand (I do)

The best things in life are free Now that I've discovered What you mean to me The best things in life are free Now that we've got each other The best things in life are free

No more than you're willing to give 'Cause you won't pay nothin' For this good lovin' It's for free

And I won't make you promises
You see I'm gonna be
'm gonna be, we're gonna be
I'm gonna be the very best I can
To be your lover 'cause I understand

The best things in life are free Now that I've discovered What you mean to me The best things in life are free Now that we've got each other The best things in life are free
