

Perfect Love

Lutricia McNeal

He needs, needs somebody to love
Sent from heaven above
He's searching for that perfect situation
Perfect love

He needs somebody to love (somebody to love)
Sent from heaven above
He's searching for that perfect situation
Perfect love

First Time you saw him in a club
You thought that it was love
But that was not enough, you had to give you serious
There's others in the game
But your heart remains the same
But you want him without thoughts
And you can't get enough
So watch what you're wishing for

He needs, needs somebody to love
Sent from heaven above
He's searching for that perfect situation
Perfect love

He needs somebody to love (somebody to love)
Sent from heaven above
He's searching for that perfect situation
Perfect love

Last night you saw another girl
And you felt some what disturbed
If love is what you're after
I suggested you speak up
Your chance just might go by
To find that perfect guy
But you can't say a thing, if you don't let him know
Just how you feel

'Cause he needs, needs somebody to love
Sent from heaven above
He's searching for that perfect situation
Perfect love

He needs somebody to love (somebody to love)
Sent from heaven above
He's searching for that perfect situation
Perfect love

Why can't you see
That it's not a game for me
It's what I believe
In love, perfect love
Show me the love

Rap
What's up, shorty?
You won't tell me

Can you feel me
Show me love baby
Why you're holdin' back your feelings
Gotta feelin' I'm the one you want
I'm the one you want to know before the night is done
Show you down baby
I'm a cristal slippin' master
Show me what you after
Need no gigolos
Ever found someone to handle me
Can you handle me
Baby show me what you need

He needs, needs somebody to love
Sent from heaven above
He's searching for that perfect situation
Perfect love

He needs somebody to love (somebody to love)
Sent from heaven above
He's searching for that perfect situation
Perfect love
