Lycaon

shinu koto ga yorokobi de
shiwase ga iya ni naru
aisuru no ga kowakute
kanashii hodo itoshii

I want you to kiss me
you want to kiss me?
kore ijou aisenai

kimi to mirenai ashita ga kuru mae ni mou ichido
ano sora kimi o tsurete yukeru kigashita yo

yami o kirisaite tobitatsu ano sora e
aa yokisenu owari tomaranai sono toki made

shinu koto ga yorokobi de
shiwase ga iya ni naru
aisuru no ga kowakute
kanashii hodo itoshii

I want you to kiss me
you want to kiss me?
kore ijou aisenai

egaita yume wa hakanai hana no you ni zeijaku de
aisuru mono mamorenai boku dakedo

yami o kirisaite tobitatsu ano sora e
aa yokisenu owari tomaranai sono toki made
