

Baby I'm A Star

Lyfe Jennings

Ay yo You

Yo partner tell em your name so they know how you getting down,
say it again

Yeah... this my homie right here I been waiting to do a song with you man that's cool man the feeling is mutual so aight let's get into it man, let's show em what we put together right here let's get it

Baby I'm a star

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Baby I'm a star...

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Nooo...

Baby I'm a star

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Baby I'm a star...

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Nooo...

Baby I'm a star Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Baby I'm a star...

Ain't nothing but the heavens above me

Rolling in my car and these haters can't help but love me

Noo...
