

# Cry

Lyfe Jennings

I done had money  
I done been broke  
I done been talked about something awful  
Done been lied on by so many folks  
I done even been depressed at times  
and didn't wanna cry cause my pride was too strong  
But over the years I thought it over  
And after struggling for so long and still holding on  
I figured, can't be nothing all that wrong with crying  
If anybody says that they're that strong they're lying  
See crying is like taking your soul to the Laundromat  
It's like the feeling that you get  
when you see your Grand-mama smile  
Or the heavens open up and blessing rain down  
Go on child and cry  
Go on and cry, cry, cry  
We can cry together

See I done been a player  
I done been played  
I done went for some of the oldest tricks  
from some of the coldest chicks God done ever made  
Said I done even had a venereal disease  
And didn't wanna go to the clinic, all that attention embarrass  
ing me  
But over the years I've learned to understand  
that I don't really give a damn what nobody say, I'm a man  
and we cry  
We can cry, we can cry, we can cry together

Talkin' bout wo wo wo yea yea yea  
They say a man ain't supposed to cry  
but I know, know, know  
fasho' sho', sho'  
that even men go through problems sometime  
cry
