

It's Real

Lyfe Jennings

This Lady Whispered when I saw her
Gave Me her number, told me call her
She got me feelin like a Baller
And I'm so into you
I told her let's go some place quiet
I said I'm stayin' at the Hyatt
She said It's kinda late but we can try it
She's so into me

Shawty thick than a mother-sucka
And I cant wait to touch Her
She knows exactly how to (Boom Boom Chi-Ki Boom)
Shawty, she wants to be my Lover
So excited, I forgot to
Stop and go grab some rubbers, damn (Uh-Oh)

AIDS is Real
Dont Care how you feel
And yes I want to chill
But I gotta wrap it up
I gotta protect us cuz
AIDS is Real
Don't care how you feel
We already Know IT KILLS
So I gotta wrap it up
I gotta Protect Us

Now We bumpin' and we grindin'
She told me baby get behind it.
It's getting Kinda hard to fight it
Cuz she looks so good
I said maybe we should go Slower
No disrespect but I don't Know Ya
I simply need a second just to go to (The Store)
But she wants it now

Shawty thick than a mother-sucker
Swear to God on my Mother
She knows exactly how to (Boom Boom Chi-ki Boom)
Shawty, she's freaky undercover
So exited I forgot to
Stop and go grab some rubbers, damn (Uh-Oh)

AIDS is Real
Don't care how you feel
And yes I want to chill
But I gotta wrap it up
I gotta Protect us, cuz
AIDS is Real
Don't Care how you feel
We already know IT KILLS
So I gotta Wrap it up
I gotta protect us

AIDS is Real, real, real, real, real
