Lyfe Jennings

Every morning I wake up and make breakfast and send the kids of
f to school
And every night before I go to bed we all say a prayer for you,
Lord don't let her forget about us, Nooo
Lord don't let her forget about us
Every morning I wake up and make breakfast and send the kids of
f to school
And every night before I go to bed we all say a prayer for you,
Lord don't let her forget about us, Ohh Nooo
