## Everybody but Me

Ooh, I'm standing in the corner
Thinking all $I$ want to
What am I to do?
Should I go home still sober
Should I buy me another glass of wine
And forget about time
Though my jeans are too tight
Don't feel like dancing
And all this light is too bright
Don't feel like shining
Though this room is too small
I'd rather stand against the wall
And hope that no one sees me-e-e-e-e

When everybody's dancing (I don't want to)
When everybody's toying (I don't want to)
When everybody's laughing (I don't want to)
Everybody but me

When everybody's drinking (I don't want to)
When everybody's smoking (I don't need one)
When everybody's rolling (I don't want to)
Everybody but me, yeah

I get the creeps from all the people in here
I cannot breathe, it's too crowded in here
Don't look at me
I don't wanna be seen; touched; heard; bothered by the fellas who got a look
in their eye
They wanna take me home without knowing my name
They wanna put me on
But do they not know is that I'm not like the others

When everybody's dancing (I don't want to)
When everybody's toying (I don't want to)
When everybody's laughing (I don't want to)
Everybody but me
When everybody's drinking (I don't want to)
When everybody's smoking (I don't need one)
When everybody's rolling (I don't want to)
Everybody but me
When everybody's dancing (I don't want to)
When everybody's toying (I don't want to)
When everybody's laughing (I don't want to)
Everybody but me
When everybody's drinking (I don't want to)
When everybody's smoking (I don't need one)
When everybody's rolling (I don't want to)
Everybody but me
When everybody's dancing (I don't want to)
When everybody's toying (I don't want to)
When everybody's laughing (I don't need more)

Everybody but me

When everybody's drinking (I don't want to)
When everybody's smoking (I don't need one)
When everybody's rolling (I don't want to)
Everybody but me, yeah
