

I Don't Mind (Jump on It)

Lykke Li

Make me mad do it to me now
Go ahead and take whats yours
Do it to me now

Bind my arms and make me laugh
Do it to me now
Go ahead and take whats yours
Do it to me now
I don't mind
I don't mind
I don't mind I lost my notion

Come on and jump on it
Go on and jump on it
Spill your guts on it
Come on and jump on it
Go on and jump on it
Spill your guts on it
Come on and jump on it
Come on and jump on it
Spill your guts on it
Come on and jump on it

Make me mad do it to me now
Go ahead and take whats yours
Bind my arms and make me laugh
Do it to me now
Go ahead and take whats yours
Do it to me now

I don't mind
I dont mind
I dont mind, I lost my notion
Do it to me now
Do it to me now
Do it to me now

Come on and jump on it
Come on and jump on it
Spill your guts on it
Come on and jump on it
Come on and jump on it
Spill your guts on it
Come on and jump on it
Come on and jump on it
Spill your guts on it
Come on and jump on it
