

Jerome

Lykke Li

Drawn aback
Your on my mind your name is in my ceilin'
Yeah now I know, I know you're mine
For you are not leavin'

I hear your shinin'
I feel your poundin'

Now your mine
You're mine again
Swear you'll never leave me

In my mind I hear the song
Its playing while im dreamin'

You didn't mean to make it real
but couldn't drown my feelin'
I hear your cryin'
I feel your whinin'

Now You're mine, you're mine again
Swear you'll never leave me

ohh ohh Jerome
ooh ohh Jerome

I'm screamin' at nothin Jerome
You got me for nothin Jerome

Drawn aback

and how I know I now you're mine
For you are not leaving

I hear your shinin'
I feel your poundin'

Now your mine

Swear you'll never leave me

ohh ohh Jerome.
