

# Love Out of Lust

Lykke Li

Rather die in your arms, than die lonesome  
Rather die hard, than die hollow  
The higher that I climb  
The deeper I fall down  
I'm running out of time  
So let's dance while we're waiting

We will live longer than I will  
We will be better than I was  
We can cross rivers with our will  
We can do better than I can  
So dance while you can  
Dance 'cause you must  
Love out of lust  
Dance while you can

Rather live out a lie than live wondering  
How the fire feels while burning  
For life is like a flame  
And the ashes for wasting  
So honey don't be afraid  
To dance while we're waiting  
We will live longer than I will  
We will be better than I was  
We can cross rivers without wind  
We can do better than I can  
So dance while you can  
Dance 'cause you must  
Love out of lust  
Dance while you can

So tired of waiting  
Come baby  
So tired of waiting  
Come baby

We will live longer than I will  
We will be better than I was  
We can cross rivers with our will  
We can do better than I can

We will live longer than I will  
We will be better than I was  
We can cross rivers with our will  
We can do better than I can

So dance while you can  
Dance 'cause you must  
Love out of lust  
Dance while you can

Love out of lust  
Love out of lust  
Love out of lust
