

## Sadness Is a Blessing

Lykke Li

My wounded rhymes make silent cries tonight  
My wounded rhymes make silent cries tonight  
And I keep it like a burning  
I'm longing from a distance

I ranted, I pleaded, I beg him not to go  
For sorrow, the only lover I've ever known

Sadness is a blessing  
Sadness is a pearl  
Sadness is my boyfriend  
Oh, sadness I'm your girl

These scars of mine make wounded rhymes tonight  
I dream of times when you were mine so I  
Can keep it like a haunting  
Heart beating close to mine

Sadness is a blessing  
Sadness is a pearl  
Sadness is my boyfriend  
Oh, sadness I'm your girl

I ranted, I pleaded, I beg him not to go  
For sorrow, the only lover I've ever known  
Every night I rant, I plead, I beg him not to go  
Will sorrow be the only lover I can call my own?

Sadness is a blessing  
Sadness is a pearl  
Sadness is my boyfriend  
Oh, sadness I'm your girl  
Sadness is my boyfriend  
Oh, sadness I'm your girl  
Oh, sadness I'm your girl
