

# Sleeping Alone

Lykke Li

How can I get used to  
How can I forget you  
Will I get used to  
Sleeping alone

I never used to  
How did I get to  
Ever get used to  
Sleeping alone

Tomorrow is a long time  
Forgetting so long  
I loved you a lifetime  
I loved you long

Someday, somehow  
Somewhere down the line  
If you save your heart for mine  
We'll meet again, we'll meet again

Will I get used to  
Can I forget you  
Don't want to get used to  
Dancing alone

Love was my shoreline  
I stare myself blind  
Now was not our time  
No I let you down

Someday, somehow  
Somewhere down the line  
If you save your heart for mine  
We'll meet again, we'll meet again

Some last, some die  
Some love wait till it's time  
If you save your heart for mine  
We'll meet again, we'll meet again
