

## Summer Wind

Lyle Lovett

The summer wind  
Came blowin' in from across the sea  
It lingered there  
To touch your hair and walk with me

All summer long  
We sang a song and then we strolled on that golden sand  
Two sweethearts  
And the summer wind

Like painted kites  
Those days and nights they went flyin' by  
The world was new  
Beneath a blue umbrella sky

Then softer than  
A piper man one day it called to you  
I lost you  
I lost you to the summer wind

The autumn wind  
And the winter wind they have come and gone  
And still the days  
Those lonely days that go on and on

And guess who sighs  
His lullabies through nights that never end  
My fickle friend  
Summer wind, summer wind  
Oh, summer wind, summer wind
