## You've Got A Friend In Me

You've got a friend in me You've got a friend in me When the road looks rough ahead And you're miles and miles From your nice warm bed You just remember what your old pal said Boy, you've got a friend in me Yeah, you've got a friend in me

You've got a friend in me You've got a friend in me If you've got troubles, I've got 'em too There isn't anything I wouldn't do for you We stick together and can see it through Cause you've got a friend in me You've got a friend in me

Some other folks might be A little bit smarter than I am Bigger and stronger too Maybe But none of them will ever love you The way I do, it's me and you

Boy, and as the years go by Our friendship will never die You're gonna see it's our destiny You've got a friend in me You've got a friend in me You've got a friend in me Lyle Lovett
