

Can you here what I say?
I know you don't like it all
I can't stop it now

You thought you all burnt out
By the sun you made, yeah
So did I...

The shadowz which hides behind in your heart
It is our intension

Hear it
Let me know!

Can you see how I am?
Look like a burnt dead man
I love it at all

I still look for my foe
There's no one who can strike HIM down
Denying all of you!

The shadowz which hides behind in your heart It is our intensio
n

Hear it
Let me know!

BLACK OUT

What is possibility?

Is fairness for all?

Fuck it!

Reach out for the shadowz
