

A Little Bit More

Lynn Anderson

When your body's had enough of me,
And I'm laying flat out on the floor.
When you think I've loved you all I can,
I'm gonna love you a little bit more.

Come on over here, and lay by my side,
I've got to be touching you.
Let me rub your tired shoulders,
The way I used to do.

Look into my eyes and give me that smile,
The one that always turns me on.
And you can take your time now,
'Cos we're staying up to greet the sun.

And when your body's had enough of me,
And I'm laying flat out on the floor.
When you think I've loved you all I can,
I'm gonna love you a little bit more.

Gotta say a few things that've been on my mind,
And you know where my mind has been.
I guess I learned my lesson,
And now it's time to begin.

So if you're feeling alright, and you're ready for me,
I know that I'm ready for you.
We better get it on now,
'Cos we've got a whole night to live through.

And when your body's had enough of me,
And I'm laying flat out on the floor.
When you think I've loved you all I can,
I'm gonna love you a little bit more.

When your body's had enough of me,
And I'm laying flat out on the floor.
When you think I've loved you all I can,
I'm gonna love you a little bit more.
