

# Bedtime Story

Lynn Anderson

I've told you almost every bedtime story  
And you've heard almost every nursery rhyme  
So tonight before you'll go to sleep and pray the Lord your soul to keep  
Here's mommy's favorite story one more time  
Once upon a time there was a castle and in this castle lived a king and queen  
And it came to pass they both were blessed by one little blue eyed princess  
With the softest golden curls you've ever seen  
And then one day he met this pretty lady and she had lots of pretty words to say  
And this part makes your mommy sad cause oh what big eyes she had  
And she took his hand and led him far away  
Still it's just another bedtime story but telling it brings tears to my eyes  
Just another pretty bedtime story so please forgive mommy if she cries

Then it came to pass the king grew lonely and the pretty lady wasn't all she seemed  
He realized that he was wrong and started his long journey home  
For he missed his little princess and his queen  
Then he was back and safe inside his castle  
And tears of joy came falling down like rain  
Then the castle rang with laughter they lived happy ever after  
Knowing he would never leave again  
Still it's just another bedtime story  
Won't you please forgive your mommy if she cries
