Everybody's Reaching Out For Someone

Lynn Anderson

Everybody's reaching out for someone everybody's knocking at so me door

And long before I ever found you you're the one that I was reaching for

Just like the trees along the river band lift up the branches to the sun above

We spent our lifetime reaching for a friend cause everybody rea ch someone to love

Everybody's reaching out...

I wanted you since the day my life began
I've heard your footsteps running just beyond my mind
Ever since that moment I've been reaching for your hand
Hoping you'd be reaching out for mine
Everybody's reaching out...
You you're the one that I was reaching for
