

# Faithless Love

Lynn Anderson

Faithless love like a river flows  
Like raindrops falling on a lonesome road  
Down in some valley where nobody goes

And the night rolls in it's like a cold dark friend  
Faithless love like a river flows

Faithless love, where did I go wrong?  
Was it telling stories in a heartbreak song?  
Where nobody's right, nobody was wrong

Faithless love has found me  
Wrapped its chilly arms around me  
Faithless love, where did I go wrong?

Well, I guess I'm standing in the hall of broken dreams  
That's the way it sometimes goes  
And every new love never turns out like it seems  
I guess the feeling comes and goes

Faithless love like a river flows  
Like raindrops falling on a lonesome road  
Down in some valley where nobody goes

Faithless love has found me  
Wrapped its chilly arms  
Faithless love like a river flows
