

I'm Not Lisa

Lynn Anderson

I'm not Lisa my name is Julie Lisa left you years ago
My eyes are not blue but mine won't leave you till the sunlight
has touched your face
She was your morning light her smile told of no night

Your love for her grew with each rising sun
And then one winter day his hand led her away
She left you here drowning in your tears here where you've stay
ed for years

Crying Lisa Lisa
I'm not Lisa my name is Julie Lisa left you years ago
My eyes are not blue but mine won't leave you
Till the sunlight shines through your face I'm not Lisa
