

It Makes You Happy

Lynn Anderson

Somehow it seems you always keep me crying I must look my best
to you and I am blue
You don't want me and I can't live without you
It makes you happy to know you make me blue
A smile on my face would be a stranger
And I cry until my heart thinks I know nothing else to do
I beg you give me just one happy hour it makes you happy to know
you make me blue

You love me just enough to keep me hurting
And each hour of every day that's what I do
It must thrill you to know I'm a fool about you
It makes you happy to know you make me blue
A smile on my face...
It makes you happy to know you make me blue
