It Makes You Happy

Lynn Anderson

Somehow it seems you always keep me crying I must look my best to you and I am blue You don't want me and I can't live without you It makes you happy to know you make me blue A smile on my face would be a stranger And I cry until my heart thinks I know nothing else to do I beg you give me just one happy hour it makes you happy to kno w you make me blue

You love me just enough to keep me hurting And each hour of every day that's what I do It must thrill you to know I'm a fool about you It makes you happy to know you make me blue A smile on my face... It makes you happy to know you make me blue
