

Knock Three Times

Lynn Anderson

Hey now what you're doing down there
Sitting alone every night while I live right above you
I can hear your music playing all along my body's swaying
One floor below me you don't even know me but I love you
Oh my darling knock three times on the ceiling if you want me
Hmm twice on the pipe if the answer is no
Oh my sweetness means you meet me in the hallway
Hmm twice on the pipe means you ain't gonna show

If you look at your window tonight
Pulling the string with the note that's attached to my heart
Read how many times I saw you how in my silence I adore you
But only in my dreams is that wall between us come apart
Oh my darling knock three times...

Oh I can hear your music playing all along my body's swaying
One floor below me you don't even know me but I love you
Oh my darling knock three times...
