Mr Mistletoe everywhere you go you put mistletoe up above Every Christmas time you will alway find Mr Mistletoe and peopl e in love

He comes round at Christmas season he gives us all the reason To steal a kiss from someone that we know

And although you'll never see him you know that it must be him

When you kiss your love a piece of mistletoe by someone you kno w remember then

Somewhere a little Elf is laughing to himself Mr Mistletoe has done it again

He comes round at Christmas season...

Cause everywhere you go there's mistletoes

Just like Santa Claus he love him because happiness is all he's sinking of

And that's why he'll find every Christmas time Mr Mistletoe and people in love

Mr Mistletoe and people in love
