

Simple Words

Lynn Anderson

You can buy a box of candy on each birthday send a dozen roses
every anniversary
But gifts are in the race and nothing takes the place
Of a kiss and simple words like I love you
You can take my part when all the world's against me
Take my hand and lead me safely through
But the thing I need the most is real to hold me close
And say some simple words like I love you
Simple words the kind that keeps through life and rightful year
s
Simple words the kind of woman always needs but seldom hears
So if you care to give the best remember I'm the most impressed
By sweet and simple words like I love you
Just say some simple words like I love you
