

## Take Me To Your World

Lynn Anderson

If you can find it in your heart to just forgive  
I'll come back and live the way you wanted me to live  
All I want is just to be your girl  
Please come and get me  
And take me to your world

Take me to your world away from barrooms  
Filled with smoke  
Where I won't have to serve a drink  
Or hear another dirty joke

All I want is just to be your girl  
Please come and get me  
And take me to your world

Take me to your world  
Make me forget the things I've heard  
Where people say I love you  
And love is not a dirty word

All I want is just to be your girl  
Please come and get me  
And take me to your world
