

The Ways To Love A Man

Lynn Anderson

There are so many ways to love a man; and so many things to understand.

And if there ever comes a time he'll stay to change his mind,
I'll need a way to hold him, and I can, if I know all the ways
to love a man.

But there's so many ways to lose a man, so quickly; he can slip
through your hands.

One little thing goes wrong, then all at once he's gone,
And I'd have no way to hold him like I planned.

It takes more than just one way to love a man.

With my hands in my heart, anything I can find: my child, my home,
my soul, and my mind.

I'll know that I can hold him, oh yes; I can, if I know all the
ways to love a man.
