

# The Ways To Love A Man

Lynn Anderson

There are so many ways to love a man; and so many things to understand.

And if there ever comes a time he'll stay to change his mind,  
I'll need a way to hold him, and I can, if I know all the ways  
to love a man.

But there's so many ways to lose a man, so quickly; he can slip  
through your hands.

One little thing goes wrong, then all at once he's gone,  
And I'd have no way to hold him like I planned.

It takes more than just one way to love a man.

With my hands in my heart, anything I can find: my child, my home,  
my soul, and my mind.

I'll know that I can hold him, oh yes; I can, if I know all the  
ways to love a man.
