

# You're My Man

Lynn Anderson

For once in my life, I know the meaning of happiness  
And what it means to have a dream come true  
'Cause every day I wake up singing livin' on the sunshine love  
is bringing  
And it's wonderful knowin' that I owe it all to you

At last I've got a reason to be a living  
I'm at the end of the rainbow and the gold is in my hands  
Your love is so sweet, I can't refuse it, heaven help me if I e  
ver lose it  
'Cause my whole world's just knowing you're my man

I don't understand you but God knows, I love you, you're my man  
I feel so safe when I'm in your arms, 'cause you're all man  
You're heaven on earth and so dependable  
Together we're a team that's just unbendable  
I want the whole wide world to know you're my man

At last I've got a reason to be a living  
Oh, my whole world's just knowing you're my man, my man, my man
