

# Every Mother's Son

Lynyrd Skynyrd

Well I've been ridin' a winning horse for a long, long time  
Sometimes I wonder is this the end of the line  
No one should take advantage of who they are  
No man has got it made  
If he thinks he does, he's wrong

[chorus]

Every mother's son better hear what I say  
Every mother's son will rise and fall someday

I've seen it happen so many times, so many times before  
Some man got so much money he doesn't worry no more  
Or he's got such a pretty woman that'll treat him fine  
Well my friend has been a fool  
It happens everytime

[chorus]

I'm not tryin' to preach to no one, to no one at all  
I've seen so many of my good friends just rise to fall  
'Cause they got so much money or a woman so fine  
Well my friends have all been fools, it happens every time

[chorus]

What I say

[chorus]

What I say

Oh, every mother's son will rise and fall someday
