

G.W.T.G.G.

Lynyrd Skynyrd

That's right, come on

Long tall Sally's looking good to me
Shaking that thing for everybody to see
Oh, everybody's thinking just like me
Wonder who the lucky fool's gonna be

Get it while the gettin's good, baby
Take it 'cause the others would
Ain't no hesitating, they just might be waiting
Get it while the gettin's good

Look at that dude in the parking lot
Taken it for granted, everything he's got
So if he hands you a dollar say, "Thank you, sir"
'Cause I've been up and down and I know what it's worth

Get it while the gettin's good, baby
Take it, 'cause the others would
Ain't no hesitating, they just might be waiting
Get it while the gettin's good

You know I gotta have it, ain't no doubt about it
Get it while the gettin's good

You can say you don't want it
But deep inside you know, you really do
You know what I'm talking about

Well, everybody's thinking just like me
Wonder who the lucky fool's gonna

Get it while the gettin's good, baby
Take it, 'cause the others would
Ain't no hesitating, they just might be waiting
Get it while the gettin's good

Get it while the gettin's good
Take it, 'cause the others would
Ain't no hesitating, they just might be waiting
Get it while the gettin's good

You gotta get it while the gettin's good
You gotta get it while the gettin's good, baby
You gotta get it while the gettin's good
Oh, you better get it while the gettin's good, baby
