God & Guns

Lynyrd Skynyrd

Last night I heard this politician Talkin' 'bout his brand new mission Liked his plans but they came undone When it got around to God & guns

I don't know how he grew up But it sure wasn't down at the huntin' club 'Cause if it was he'd understand Just a little bit more about the workin' man

God & guns keep us strong That's what this country was founded on Well, we might as well give up and run If we let 'em take our God & guns

Out here in my neck of the woods Where God is great and guns are good You really can't know that much about 'em If you think we're better off without 'em

Oh, there was a time we ain't forgot You could rest all night with your doors unlocked But there ain't nobody safe no more So you say your prayers and you thank the Lord For that peace maker in the dresser drawer

God & guns keep us strong That's what this country, Lord, was founded on Well, we might as well give up and run If we let 'em take our God & guns

Yeah, we might as well give up and run If we let 'em take our God & guns Yeah, oh, God & guns

Don't let 'em take Don't you let 'em take Don't let 'em take our God & guns

Oh, God & guns, yeah, keep us strong That's what this country, Lord, was founded on Well, we might as well give up and run If we let 'em take our God & guns

God & guns
