## **Good Thing**

Lynyrd Skynyrd

My baby came home late last night I said girl I gotta talk to you I've been drinkin' with the man next door He said he's been singin' with you Whoever's tellin' lies it's time to say bye-bye You know my mama didn't raise no fool

[chorus] You're gonna walk out that door you'll never see me anymore Tell you what I'm gonna do I'm gonna love ya' just one more time I'd love to see what you've got I don't care if it takes all night Gonna make you remember for the rest of your life oh baby We had a good thing a good thing goin' But ain't been seein' eye to eye You had a good thing but it's all over Might as well wave and say goodbye

It's easy to see the guilt in your eyes Girl I want you to tell me the truth Was he worth the risk and all the trouble he's caused Now it comes down to me and you You thought I was blind when you were gone all the time Playin' me for a fool

[repeat chorus]

We had a good thing goin' baby but it's all over

Good thing, good thing goin'.....
