

# Made in the Shade

Lynyrd Skynyrd

"Well when I was a young-  
un they used to teach me to play music like this here..."

When I look in your face baby  
When I look in your eyes  
I can tell pretty mama I been wastin' time  
'Cause you don't really love me  
You just love me for what I am  
But you best treat me right, woman  
Gonna lose your money man

Well when I first met you baby, you was a red light girl  
But I tried to take you to better world  
But you would not listen  
Still you think I am a fool  
Well you had it made in the shade, baby  
Don't let that tree fall down on you

Well I work the railroad each and every day  
Well I work real hard tryin' to make my pay  
Lord I never tell you what you supposed to say  
Girl you had it made in the shade  
Don't let that tree fall down on you
