

# Money Back Guarantee

Lynyrd Skynyrd

Ooh

One, two

She's on the left, I'm on the right  
Oh, here comes trouble  
And I ain't even seen her yet  
Oh, she's something I'll regret

She's got it good, I got it bad  
Can't seem to get her walk  
And her talk outta my head  
Oh, you know I'm just a mess

Give it up, give it up  
Give it to me  
Can't you see, honey  
I'm down on my knees?

Wanna feel your touch  
I need you so much  
Don't you know I come with  
A money back guarantee?  
Oh, you ain't gonna get my money

I'll buy the house, you drive my car  
I'll take you anywhere  
But baby, if that's not enough  
Oh, you can call my bluff

I will shower you with  
Diamonds and rings  
I'll feel a little angel baby  
Can't you see?

Wanna feel your touch  
I need you so much  
Don't you know I come with  
A money back guarantee?  
Oh, you can have it all baby  
Oh, here it comes

Here it comes  
??  
Oh, give it up, give it up  
Give it to me  
Can't you see, honey  
I'm down on my knees?

Wanna feel your touch  
I need you so much  
Don't you know I come with  
A money back guarantee?  
Yeah, oh

Money back, money back guarantee  
Money back, money back guarantee  
Money back, money back guarantee

Money back, money back guarantee

Yeah, yeah, oh, the girl I see

Oh, you can have it all, baby

Say baby, money back guarantee

Oh oh, you can keep your money back guarantee

Oh yeah
