

Needle And The Spoon

Lynyrd Skynyrd

1. 30 days Lord and 30 nights
I've come home on a airplane flight
While I'm waiting at the ticket line
Tell me son, why do you stand there cryin'

R: Cause the needle and the spoon
Took a trip to the moon
Took me away ay ay

2. I've been feelin so sick inside
Got to git better Lord before I die
Southern darkness couldn't help my head
Said, you better quit son before you`re dead

R: Cause the needle...

3. I've seen alot of people who thought they were cool
But, then again Lord I've seen alot of fools
I hope you people can hear what I say
You'll get your chance to hit it some day

R: Cause the needle...
