

# Rockin' Little Town

Lynyrd Skynyrd

MMmmmmmm... That's right  
Yeah...

Big bad machine still makin' the scene  
Big wheels keep on turnin'  
Step on the gas, gone in a flash  
Rubber just keeps on burnin'  
'Cause every night is a Saturday night  
No Matter what town we're in  
Open the doors, kick out the lights  
Just let the party begin

We're just watchin' the world from this big ass bus  
The highway is home to folks like us  
Makin' good music, keepin' it alive  
Slip in slip out, of your rockin little town tonight  
Yeah that's what we do..

Get into town, lay our head down  
Really ain't nothin' to do  
Watchin' the clock, get ready to rock  
We ain't no different than you

'Cause every night is a Saturday night  
No Matter what town we're in  
Open the doors, kick out the lights  
Yeah let the party begin

We're just watchin' the world from this big ass bus  
The highway is home to folks like us  
Makin' good music, keepin' it alive  
Slip in, slip out  
Of your rockin' little town tonight

MMMMmmmmmm...

So good to see you all again  
I hope this ride we're on  
Ooooooh it never ends yeah...

Ooohhh...

'Cause every night is a Saturday night  
No Matter what town we're in  
Open the doors Kick out the lights  
Yeah let this party begin

"Cause We're just watchin' the world from this big ass bus

Makin' good music, keepin' it alive
